## **NEWS RELEASE**

### **Introducing BHPD's Newest Four-Legged Crime Fighter**

Officer Kevin Orth and his partner "Tau" have recently hit the streets after completing a demanding 5 week training course. Tau is a year and half old Belgian Malinois who has been trained in patrol work and explosive detection. This was all made possible by the generous support of longtime Beverly Hills resident Erika Glazer. This is the third police canine she has supported. Look for the video story on Beverly Hills Television next week.
